Tough Jobs Need Industrial Cleaning Power.

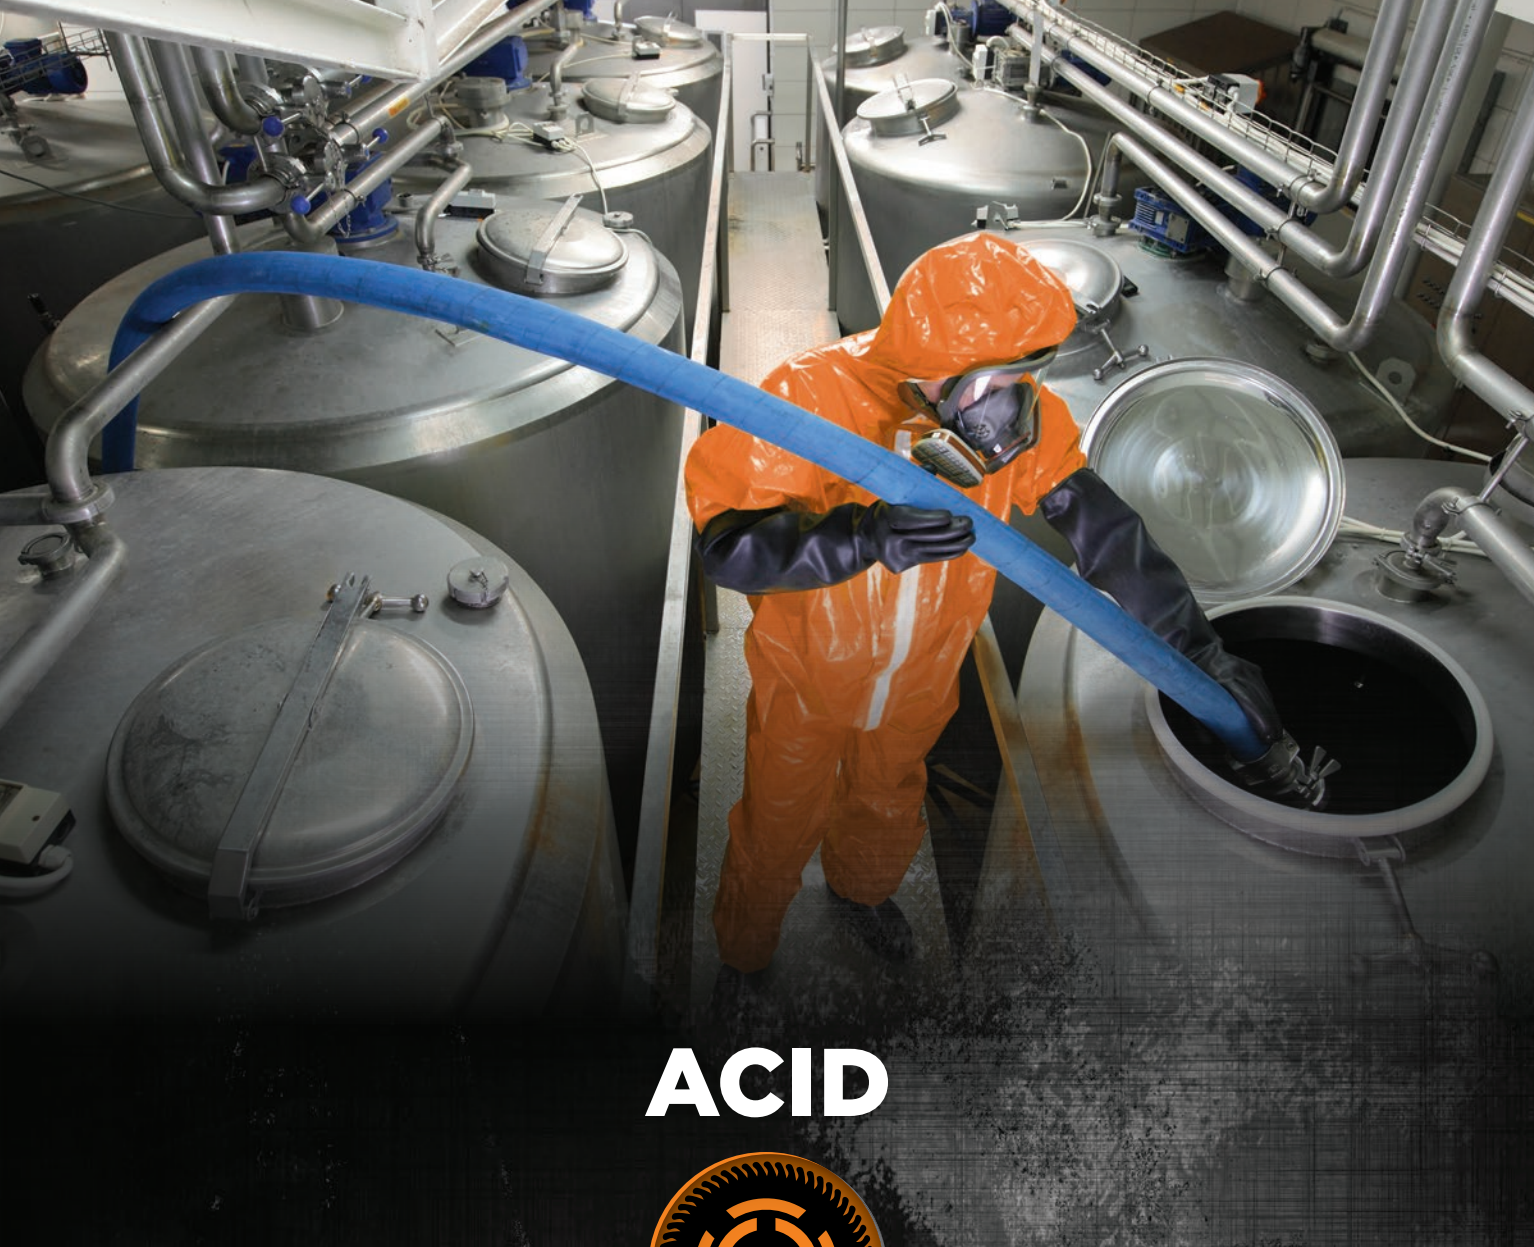

Industrial plants, refineries, construction sites and similar dirty spaces require serious cleaning solutions. ProBlend meets these tough cleaning challenges of industry. Our complete line of high-performance cleaning, degreasing, descaling and wash products helps keep facilities clean and grime-free. ProBlend industrial solutions get rid of grease, grit and heavy soil, ensuring smoother and safer day-to-day operations.

ProBlend is a recognized expert in heavy-duty cleaning chemicals. Our unique selection of formulations will tackle your most difficult maintenance jobs on industrial surfaces like parts, machinery and equipment. At the same time our commitment to our planet and to the safety of people is a key driver for innovation. ProBlend continually meets or exceeds industry standards and customer expectations for environmental stewardship and sustainability.

For the toughest of cleaning jobs, call on ProBlend Industrial. Our authorized professionals are available to recommend effective solutions for the demanding cleaning needs of today's industries.

ACID

PROBLEND[®]
INDUSTRIAL SERIES

ProBlend's line of acid-based cleaners and degreasers remove stubborn deposits like scale, rust and grease from surfaces for a cleaner, safer work environment. Non-fuming and biodegradable options add choice when deciding how best to restore and rejuvenate industrial areas.

ACTIVE. STRONG. RESTORATIVE.

ACID

CITRIC ACID CLEANER

NON-FUMING ACID CLEANER.

Safe alternative to harsh acids. It is derived from some of the safest acids and effective detergents on the market. Great for use in industrial and automotive industries.

Item #	12377
Size(s)	30, 55, & 275 Gal
pH	< 2.0
Color	Yellow
Unit Wt	9.47 lb/Gal

DAILY CLEANER & DEGREASER

HARD SURFACE FLOOR CLEANER. Improves surface traction, reduces the occurrence of polymerization, when used daily, and leaves surfaces residue free. The first line of defense in the battle against slippery floors.

Item #	21150	
Size(s)	30, 55, & 275 Gal	
pH	< 1.0	
Color	Green	
Unit Wt	8.56 lb/Gal	

DESCALER

LIME SCALE REMOVER.

Concentrated. Contains surfactants to reduce surface tension and improve penetration. Descaler may also be used on nonporous surfaces not damaged by acidic solutions.

Item #	13680
Size(s)	30 & 55 Gal
pH	< 2.0
Color	Red
Unit Wt	9.77 lb/Gal

SureGrip for Safer Floors!

Making the world a safer place... one step at a time!

ProBlend SureGrip Daily Cleaner has been tested and officially certified by the NFSI as providing "High Traction".

For more information go to: <http://nfsi.org>

In implementing a floor safety program, the IBOEHS states: "Having tried numerous products we determined that the SureGrip products were

the most effective, especially the Daily Cleaner. Its unique quality of not only being able to break up the grease, but actually suspends it providing for an effective rinse - therefore leaving a residue free floor."

For more information go to: <http://www.suregripfloors.com/downloads/certifications.html>

GLACIAL ACETIC ACID CLEANER

FOAMING ACID DETERGENT & FLOOR CLEANER.

Concentrated blend of non-fuming acid detergents, organic/biodegradable wetting agents plus special corrosion inhibitors. Cleans concrete, porcelain, glass, tile, stainless steel, & aluminum.

Item # **20595**

Size(s) **30 & 55 Gal**

pH **2.0 - 3.0**

Color **Brown**

Unit Wt **8.85 lb/Gal**

OXYGENATED CLEANER

HYDROGEN PEROXIDE ALL PURPOSE CLEANER.

Quickly attacks the most stubborn soils and stains on virtually any surface. Leaves no oil residue, rinses free, and contains no butyl or caustic bleaching agents.

Item # **14081**

Size(s) **30 & 55 Gal**

pH **3.0 - 4.0**

Color **Colorless**

Unit Wt **8.33 lb/Gal**

PHOSPHORIC ACID CLEANER

NON-FUMING FOAMING ACID DETERGENT.

High foaming, acid detergent designed to remove hard water scale, alkaline detergent build-up, dirt, and rust. Renews original brightness on stainless steel, aluminum, and galvanized surfaces.

Item # **14461**

Size(s) **30 & 55 Gal**

pH **1.5 - 2.5**

Color **Amber**

Unit Wt **9.44 lb/Gal**

WALL BRITE

HEAVY-DUTY ACID DETERGENT.

Quick-acting wall cleaning acid compound for stainless steel, fiberglass, brick, block, metal, and painted surfaces. Gives that just manufactured look.

Item # **11970**

Size(s) **30, 55, & 275 Gal**

pH **< 4.0**

Color **Colorless**

Unit Wt **10.08 lb/Gal**

NEUTRAL

PROBLEND[®]
INDUSTRIAL SERIES

Ensure surfaces are clean and odor-free with ProBlend's line of pH neutral* cleaners. Make a safer choice for your facility without sacrificing cleaning power.

*All products are neutral at use dilution.

EFFECTIVE. VERSATILE. RESPONSIBLE.

NEUTRAL

DD 5000

DISINFECTANT. Sanitizer, fungicide, mildewstat, virucide and cleaner. For use on floors, walls, metal, plastic and other, non-porous surfaces. Controls mold/mildew. EPA Registered.

Item #	13546
Size(s)	30, 55, & 275 Gal
pH	11.0 - 13.0
Color	Red
Unit Wt	8.69 lb/Gal

EVO

MULTIPURPOSE CLEANER & DEGREASER. Its environmental benefits and flexibility make it excellent for use on bird droppings, floors, drains and waste water. Removes the food sources of fruit flies and controls odors. Pressure washer pretreatment. Fresh fragrance.

Item #	BIO23
Size(s)	4/1, 30, & 55 Gal
pH	9.5 - 10.5
Color	Straw
Unit Wt	8.55 lb/Gal

MIC-10

MULTIPURPOSE CLEANER & DEGREASER. Floor and concrete cleaner designed specifically for the removal of light to medium hydrocarbon spills associated with the automobile service or light manufacturing industries.

Item #	18175
Size(s)	4/1, 55, & 275 Gal
pH	9.0 - 10.0
Color	Clear
Unit Wt	8.55 lb/Gal

LAVENDER Q CLEANER

QUATERNARY CLEANER & ODOR COUNTERACTANT. Concentrated. For use on hard surfaces such as floors, walls, in dumpsters, and other areas where odors can be a problem. Lavender fragrance.

Item #	TBD
Size(s)	30, & 55 Gal
pH	10.0 - 11.0
Color	Purple
Unit Wt	8.41 lb/Gal

LEMON Q CLEANER

QUATERNARY CLEANER & ODOR COUNTERACTANT. Concentrated. For use on hard surfaces such as floors, walls, in dumpsters, and other areas where odors can be a problem. Lemon fragrance.

Item #	16760
Size(s)	30, & 55 Gal
pH	10.0 - 11.0
Color	Yellow
Unit Wt	8.40 lb/Gal

PINE Q CLEANER

QUATERNARY CLEANER & ODOR COUNTERACTANT. Concentrated. For use on hard surfaces such as floors, walls, in dumpsters, and other areas where odors can be a problem. Pine fragrance.

Item #	19740
Size(s)	30, & 55 Gal
pH	10.0 - 12.0
Color	Green
Unit Wt	8.42 lb/Gal

PH's shown are for concentrated product. All products have a neutral pH at use dilution.

ALKALINE

PROBLEND[®]
INDUSTRIAL SERIES

From disinfecting to industrial degreasing, turn to the power of ProBlend's alkaline chemicals for germ eradication and heavy-duty soil removal. Tough residues on floors, walls and other surfaces don't stand a chance against ProBlend.

POWERFUL. PENETRATING. FOCUSED.

BIG JOB DEGREASER

NON-SOLVENT DEGREASER.

Environmentally preferable, concentrated heavy-duty degreaser. Removes and emulsifies oil and grease as well as solvent based cleaners. Big Job Degreaser is solvent-free, non-butyl and phosphate free.

Item #	18340
Size(s)	30, 55, & 275 Gal
pH	13.0 - 13.5
Color	Yellow
Unit Wt	9.02 lb/Gal

CITRUS CLEAN ORANGE

CITRUS CLEANER & DEGREASER.

Contains d-limonene, a natural citrus solvent. It provides exceptional cleaning performance of both fat and petroleum based soils. Removes adhesive residue. Citrus fragrance.

Item #	15150
Size(s)	30, 55, & 275 Gal
pH	10.0 - 11.0
Color	Orange
Unit Wt	8.37 lb/Gal

HD PRIDE CLEANER

HEAVY-DUTY DEGREASER.

Alkaline and butyl solvent based degreaser penetrates and removes the toughest soils quickly and easily. Contains alkalis, sequestrants and wetting agents for powerful heavy-duty degreasing.

Item #	15770
Size(s)	55 & 275 Gal
pH	11.0 - 13.0
Color	Colorless
Unit Wt	9.20 lb/Gal

POWER UP DEGREASER

GENERAL PURPOSE DEGREASER.

Concentrated with a moderate pH, quickly emulsifies greasy soils, and boosts the cleaning action of other detergents. Excellent for floors, walls, and general cleaning.

Item #	14720
Size(s)	30 & 55 Gal
pH	8.0 - 10.0
Color	Yellow
Unit Wt	8.63 lb/Gal

SA 200

SUPER CONCENTRATED BUTYL DEGREASER.

Water-soluble degreaser, and general purpose cleaner. Great for dilution purposes. *1 drum makes 3 drums of user concentrate.*

Item #	20780
Size(s)	30, 55, & 275 Gal
pH	12.0 - 13.0
Color	Purple
Unit Wt	8.83 lb/Gal

SUPER X

HEAVY-DUTY STEAM CLEANER & DEGREASER.

Extremely free rinsing. This product can also be used as a powerful general purpose cleaner and rig wash. Contains butyl.

Item #	22220
Size(s)	30, 55, & 275 Gal
pH	12.0 - 14.0
Color	Red
Unit Wt	8.93 lb/Gal

BLUE CLEAN

ALL PURPOSE CLEANER & DEGREASER. Blue Clean is butyl based and great for use as a medium-duty cleaning compound on floors, walls, woodwork and stainless steel. Free rinsing.

Item #	14945
Size(s)	55 Gal
pH	12.0 - 14.0
Color	Blue
Unit Wt	8.95 lb/Gal

CLEANER WITH BLEACH

READY TO USE CLEANER & DESTAINER. Removes challenging stains including mildew, food stains, and discoloration. Use only where bleach will not harm surfaces.

Item #	12690
Size(s)	55 Gal
pH	11.0 - 12.0
Color	Pale Yellow/Green
Unit Wt	8.58 lb/Gal

GENERAL PURPOSE GELIQUID

SUPER CONCENTRATED COLLOIDAL CLEANER. Stability of a clear liquid with the benefits of solvent emulsion. Moderate pH, phosphate free and free rinsing. *1 drum makes 5 drums of user concentrate.*

Item #	14902
Size(s)	30, 55, & 275 Gal
pH	10.0 - 11.0
Color	Amber
Unit Wt	8.85 lb/Gal

LEGEND

-  Environmentally Friendly Product
-  Pressure Washing Product

Electronic service reporting that meets your every day operational needs.

ALL SAFE

METAL SAFE PARTS WASHING DETERGENT. Non-chlorinated, low foaming detergent quickly and effectively removes stubborn soils and rinses free. This powerful cleaner/degreaser contains extra chelating agents for hard water conditions.

Item #	10966
Size(s)	30, & 55 Gal
pH	11.0 - 12.0
Color	Colorless
Unit Wt	9.48 lb/Gal

COMBAT

CONCRETE CLEANER. Cleans heavily soiled concrete or coated concrete surfaces. Intense yellow in color. Contains alkalis, sequestrants and wetting agents that quickly penetrate soils impregnated in concrete.

Item #	20460
Size(s)	50 & 400 lb
pH	12.0 - 13.0
Color	Yellow
Unit Wt	N/A

CW-51

TRUCK WASH DETERGENT. Superior powder detergent. Contains an abundant blend of state of the art surfactants, powerful soil-lifting agents, and water conditioners to get even the dirtiest trucks sparkling clean.

Item #	13374
Size(s)	50 & 400 lb
pH	12.0 - 13.0
Color	Brown
Unit Wt	N/A

QUICK KUT

CAUSTIC BATH REJUVENATOR. Enhances chemicals resin cutting power and alkaline cleaning performance. Use as an additive for caustic or metasilicate internal tank cleaning and hot tanks.

Item #	20602
Size(s)	450 lb
pH	11.0 - 12.0
Color	White
Unit Wt	N/A

VAT DIP

HEAVY-DUTY TANK CLEANING COMPOUND. Removes rust, scale, paint, and oil from ferrous metals. It contains agents that enable penetration into the smallest crevices and threads.

Item #	22760
Size(s)	500 lb
pH	> 11.5
Color	White
Unit Wt	N/A

SOLVENT

PROBLEND[®]
INDUSTRIAL SERIES

For specific cleaning applications on impossible jobs, our line of solvents is a force to be reckoned with. Concentrated, robust formulations offer powerful and effective removal of tar, residues and heavy oils on facility equipment.

SPECIALIZED. CAPABLE. FAST-ACTING.

DETERGENT BOOSTER

BUTYL SOLVENT & CLEANING ADDITIVE. Very versatile butyl solvent plus surfactant formula. This product can be used undiluted in parts washers or used as an additive to boost cleaning formulations. 100% water soluble.

Item #	13740
Size(s)	30, 55, & 275 Gal
pH	7.0 - 10.0
Color	Colorless
Unit Wt	7.76 lb/Gal

OT MAX

100% D-LIMONENE. Citrus solvent. Not water soluble, so it can be used in typical water separation units. Undiluted use as a wipe cleaner, in dip baths/spray systems, or as a direct substitute for most organic solvents.

Item #	04385
Size(s)	30, 55, & 275 Gal
pH	N/A
Color	Colorless
Unit Wt	7.02 lb/Gal

OT SOL

HEAVY-DUTY SOLVENT CLEANER & DEMULSIFIER. Cleans slop oil, heavy grease, asphaltene, bunker oil and paraffin solutions while effectively separating the water. Use to reclaim oil for recycling into reusable materials & tank cleaning.

Item #	19221
Size(s)	55 Gal
pH	N/A
Color	Pale Yellow
Unit Wt	6.76 lb/Gal

OT TERGE

CITRUS TERPENE SOLVENT & HYDROCARBON REMOVER. Derived from biological sources. This alternative to petroleum-based and chlorinated solvents effectively removes tar, grease, lubricants, bituminous residue, heavy oils, paraffin and asphaltene.

Item #	22679
Size(s)	55 Gal
pH	6.0 - 8.0
Color	Colorless
Unit Wt	7.23 lb/Gal

SPECIALTY

PROBLEND[®]
INDUSTRIAL SERIES

The right tool for the job can make all the difference. When other options simply won't do, ProBlend's specialty cleaners offer superior cleaning and maintenance solutions for tough industrial applications like parts degreasing, grimy laundry, and greasy hand washing.

TOUGH. SPECIFIC. RELIABLE.

DEGREASERS

LIQUID RIG WASH

HEAVY-DUTY DETERGENT & DEGREASER. Formulated for heavy industry. Removes oil and degreases engines, machinery, tools, and drilling rigs. Cleans oil muds, mildew & mold, cosmoline, carbon dust, algae, and most oil-base products. Effective in fresh or salt water.

Item # **11421**

Size(s) **55 Gal**

pH **9.0 - 10.0**

Color **Blue**

Unit Wt **8.53 lb/Gal**

POWDER RIG WASH

HEAVY-DUTY DETERGENT & DEGREASER. Cleans oil muds, mildew & mold, cosmoline, carbon dust, algae, and most oil-base products. Formulated for heavy industry it removes oil and degreases engines, machinery, tools, and drilling rigs. Effective in fresh or salt water.

Item # **20662**

Size(s) **50 lb**

pH **10.5 - 11.5**

Color **Blue**

Unit Wt **N/A**

SAPPHIRE

POT & PAN/ALL PURPOSE DEGREASER. Phosphate free pot and pan detergent produces long lasting suds. Tough on soils yet gentle to skin. Works well in all water conditions. Pure clean fragrance.

Item # **21000**

Size(s) **275 Gal**

pH **7.0 - 9.0**

Color **Blue**

Unit Wt **8.59 lb/Gal**

SANITIZERS

DD 5000

DISINFECTANT. Sanitizer, fungicide, mildewstat, virucide and cleaner. For use on floors, walls, metal, plastic and other hard, non-porous surfaces. Controls mold/mildew. EPA Registered.

Item # **13546**

Size(s) **30, 55 & 275 Gal**

pH **11.0 - 13.0**

Color **Red**

Unit Wt **8.69 lb/Gal**

DSQ 10

DISINFECTANT. Sanitizer, fungicide, mildewstat and virucide. For use on floors, walls, metal and plastic. Controls mold/mildew. EPA Registered.

Item # **13960**

Size(s) **30, 55, & 275 Gal**

pH **7.5 - 8.5**

Color **Colorless**

Unit Wt **8.70 lb/Gal**

LT SAN

SANITIZER. Concentrated and stabilized 10% sodium hypochlorite solution, blended to sanitize food service glassware, flatware, dishes, and utensils in commercial dishmachines. EPA Registered.

Item # **05205**

Size(s) **30, 55 & 275 Gal**

pH **11.5 - 12.5**

Color **Pale Yellow/Green**

Unit Wt **9.58 lb/Gal**

Prior to ordering the EPA Registered products below please check with us to make sure they are registered in your state.

ASPHALT RELEASE

BIODEGRADABLE LUBRICANT.

Non-hazardous, water soluble lubricant provides clean, rapid, and easy separation of bituminous (asphalt) materials from truck beds. Just one application remains effective for multiple runs.

Item #	11325
Size(s)	30, 55, & 275 Gal
pH	4.0 - 5.0
Color	Pale Yellow/Yellow
Unit Wt	7.40 lb/Gal

COOL BLUE

SYNTHETIC CUTTING FLUID.

Superior cutting fluid for ferrous metals and copper alloys. This product is completely soluble in water is extremely stable toward bacterial attack and is self-cleaning on machines.

Item #	13220
Size(s)	30, 55, & 275 Gal
pH	8.5 - 9.5
Color	Blue
Unit Wt	8.54 lb/Gal

DEFOAMER

10% SILICONE EMULSION.

Excellent foam knockdown and suppression properties. Effective in a wide range temperatures and pH. Use in a wide variety of processing and wastewater applications.

Item #	04085
Size(s)	30, & 55 Gal
pH	N/A
Color	Clear to White
Unit Wt	8.49 lb/Gal

PHOSKOTE 3405

RUST CONVERSION

COMPOUND. Multi-purpose compound that contains a special blend of cleaners and degreasers which allow for minimal surface preparation prior to use. On ferrous metals it produces a heavy, tightly bonded coating that may be painted.

Item #	19380
Size(s)	30, 55, & 275 Gal
pH	<2
Color	Green
Unit Wt	9.83 lb/Gal

BASICS FOAMING HYPOALLERGENIC

FOAMING HAND WASH
Dial® Basics with Aloe is dermatologist tested, hypoallergenic, rinses clean and excellent for frequent handwashing. Floral fragrance. Green Seal Certified.

Item #	HEN02AA & AB
Size(s)	3/1 & 3/1.7 L
pH	7.0 - 8.0
Color	Light Green
Unit Wt	8.51 lb/Gal

COMPLETE® FOAMING SPRING WATER

ANTIMICROBIAL FOAMING HAND WASH. Dial Complete® Spring Water® Antimicrobial kills 99.99% of germs. This gentle hand wash foams clean, rinses clean and smells clean - as clean as a mountain spring. NSF E2 Certified.

Item #	HEN02AC & AD
Size(s)	3/1 & 3/1.7 L
pH	5.0 - 6.4
Color	Blue
Unit Wt	8.37 lb/Gal

ANTIBACTERIAL HAND SANITIZER

FOAMING HAND SANITIZER. Dial® alcohol-based hand sanitizer delivers 10X more moisturization than if left untreated. Meets OSHA, CDC, and FDA standards and guidelines. Fragrance Free. NSF E3 Certified.

Item #	HEN02AE & AF
Size(s)	3/1 & 3/1.2 L
pH	6.6 - 7.8
Color	Colorless
Unit Wt	7.39 lb/Gal

1700 DISPENSER

MANUAL DISPENSER. Made of heavy-duty plastic and translucent backplate for easy viewing of soap level. Easy to load cartridges. Activations per cartridge range from 1700 up to 4250, depending on product. Meets ADA guidelines.

Item #	HEN02AG & AH
Size(s)	3/CASE
pH	N/A
Color	Pearl or Smoke
Unit Wt	5.53 lb/CS

FIT DISPENSER

TOUCH-FREE DISPENSER. Minimizes risk of cross-contamination. Easily view soap level with translucent side panel. Up to 1425 activations per cartridge. Adjustable dosing. Meets ADA guidelines.

Item #	HEN02AI & AJ
Size(s)	3/CASE
pH	N/A
Color	Ivory or Slate
Unit Wt	TBD

ALMOND HAND CLEANER

HAND CLEANER. Uniquely formulated blend of soaps and emollients, which produces a rich, thick, foamy lather. It quickly removes grease, grime, and tough soils, leaving hands fresh and clean. Almond fragrance.

Item #	15400
Size(s)	30, & 55 Gal
pH	7.0 - 9.0
Color	Orange
Unit Wt	8.49 lb/Gal

CLEAR FOAMING SILK

FOAMING HAND SOAP.

Dye free formula creates rich, creamy lather right from the dispenser. It pampers hands, leaving them soft and smooth, while effectively removing tough soils. Almond fragrance.

Item #	27235
Size(s)	4/1 Gal
pH	7.0 - 9.0
Color	Colorless
Unit Wt	8.38 lb/Gal

KWICK KLEAN

WATERLESS HAND CLEANER.

Removes grease, grime, carbon, metal stains, road tars, oil, and paint with or without water. Leaves hands soft and will not "bite" or "sting" tender, sore hands. Does not contain ammonia or gasoline. Pine fragrance.

Item #	17930
Size(s)	4/1 Gal
pH	9.0 - 10.0
Color	Pink
Unit Wt	TBD lb/Gal

Need another option?

Ask your Sales Representative about our MANY hand soap formulations!

CHLOR WHITE

CHLORINE DESTAINER. Maximum strength liquid bleach. Safe on cotton and synthetic fabrics. Can be used as a soil removal aid or as a destaining presoak for blood and protein stains. Not for use on natural silk, wool or nylon fibers.

Item #	05205
Size(s)	30, 55, & 275 Gal
pH	11.5 - 12.5
Color	Pale Yellow/Green
Unit Wt	9.58 lb/Gal

LAUNDRY PLUS

TOWEL & RAG LIQUID DETERGENT. Contains surfactants, optical brighteners, and powerful dispersants that emulsify and suspend soils. Perfect for use where high concentrations of oil and grease soils are present. Citrus fragrance.

Item #	17010
Size(s)	30, 55, & 275 Gal
pH	9.0 - 10.5
Color	Blue
Unit Wt	8.78 lb/Gal

OPTI-BRITE

TOWEL & RAG POWDER DETERGENT. Premium, all-in-one, all-temperature detergent drastically reduces bleaching with regular use. Its intense optical brightening system produces brilliant colors and bright whites. Clean fresh fragrance.

Item #	11691
Size(s)	50 & 400 lb
pH	10.5 - 11.5
Color	White
Unit Wt	N/A

TRIBUTE

HIGH EFFICIENCY LAUNDRY DETERGENT. Powerful surfactants to clean linen, but at the same time treats fabric threads gently while removing soils. Cold and hot water formula. Clean fresh fragrance.

Item #	27243	
Size(s)	55, & 275 Gal	
pH	7.5 - 9.0	
Color	Blue	
Unit Wt	8.70 lb/Gal	

SCBA

Protective Gear Decontamination Detergent
Detergente Protector de Descontaminación de Engranajes

QUICK, EASY, SAFE.

Easy Decontamination of Complete SCBA

Item Code Case
PB0010967AA 2.5 GAL

- Use with SCBA DECON WASHER machine
- Removes soot and dangerous carcinogens from SCBA (Self Contained Breathing Apparatus)
- Intended for use by firefighters and first responders
- Mild and low-foaming detergent
