Tough Jobs Need Industrial Cleaning Power.

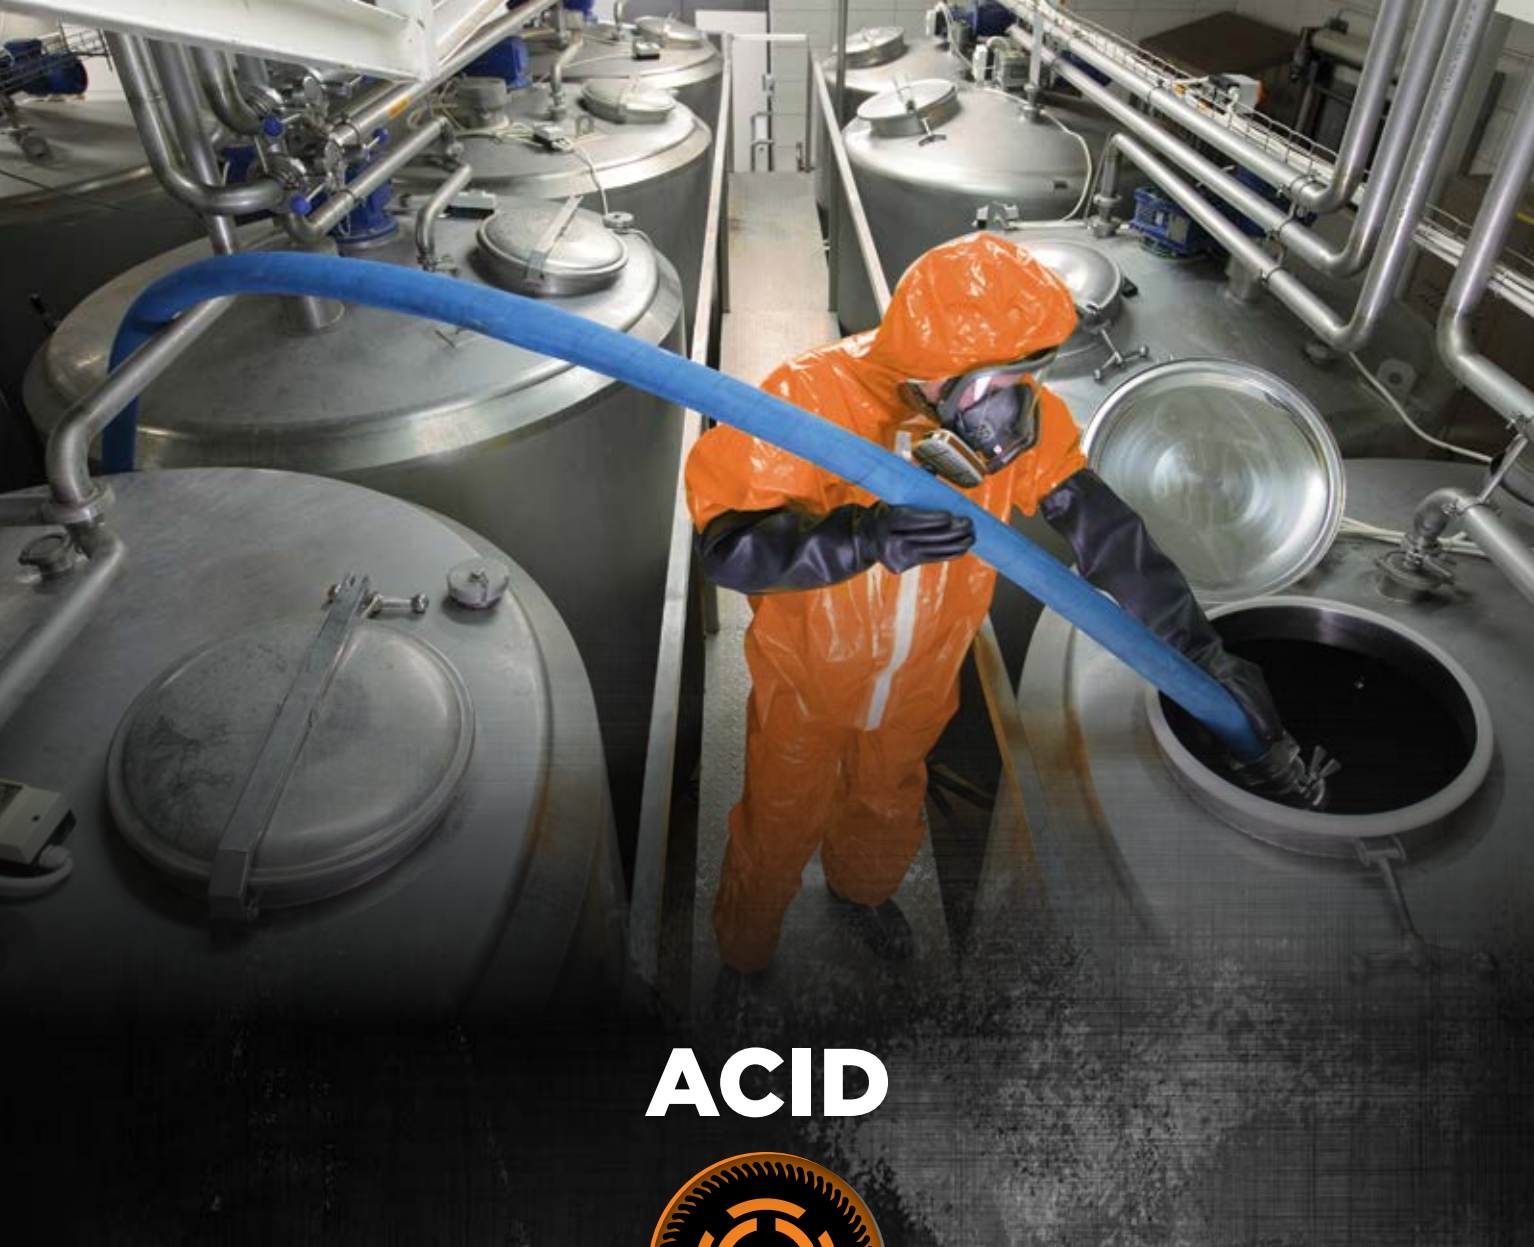

Industrial plants, refineries, construction sites and similar dirty spaces require serious cleaning solutions. ProBlend meets these tough cleaning challenges of industry. Our complete line of high-performance cleaning, degreasing, descaling and wash products helps keep facilities clean and grime-free. ProBlend industrial solutions get rid of grease, grit and heavy soil, ensuring smoother and safer day-to-day operations.

ProBlend is a recognized expert in heavy-duty cleaning chemicals. Our unique selection of formulations will tackle your most difficult maintenance jobs on industrial surfaces like parts, machinery and equipment. At the same time our commitment to our planet and to the safety of people is a key driver for innovation. ProBlend continually meets or exceeds industry standards and customer expectations for environmental stewardship and sustainability.

For the toughest of cleaning jobs, call on ProBlend Industrial. Our authorized professionals are available to recommend effective solutions for the demanding cleaning needs of today's industries.

ACID

PROBLEND[®]
INDUSTRIAL SERIES

ProBlend's line of acid-based cleaners and degreasers remove stubborn deposits like scale, rust and grease from surfaces for a cleaner, safer work environment. Non-fuming and biodegradable options add choice when deciding how best to restore and rejuvenate industrial areas.

ACTIVE. STRONG. RESTORATIVE.

ACID

CITRIC ACID CLEANER

NON-FUMING ACID

CLEANER. Safe alternative to harsh acids. It is derived from some of the safest acids and effective detergents on the market. Great for use in industrial and automotive industries.

Item #	12377
Size(s)	5, 30, 55, & 275 Gal
pH	< 2.0
Color	Yellow
Unit Wt	9.47 lb/Gal

DAILY CLEANER & DEGREASER

HARD SURFACE FLOOR

CLEANER. Use as the first line of defense in the battle against slippery floors. SureGrip greatly improves surface traction, reduces the occurrence of polymerization, when used daily, and leaves surfaces residue free. Great for use as a degreaser too.

Item #	21150
Size(s)	30, 55, & 275 Gal
pH	< 1.0
Color	Green
Unit Wt	8.56 lb/Gal

DESCALER

LIME SCALE REMOVER.

Concentrated. Contains surfactants to reduce surface tension and improve penetration. Descaler may also be used on nonporous surfaces not damaged by acidic solutions.

Item #	13680
Size(s)	5, 30, & 55 Gal
pH	< 2.0
Color	Red
Unit Wt	9.77 lb/Gal

SureGrip for Safer Floors!

ProBlend SureGrip "TRACTION" Daily Cleaner has been tested and officially **certified** by the NFSI as providing "High Traction".

For more information go to: <http://nfsi.org>

In implementing a floor safety program, the IBOEHS states: "Having tried numerous products we determined that the **SureGrip** products were the most effective, especially the Daily Cleaner. Its unique quality of not only being able to break up the grease but actually suspends it providing for an effective rinse - therefore leaving a residue free floor.

For more information go to: <http://www.suregripfloors.com/downloads/certifications.html>

ProBlend SureGrip Daily Cleaner is **registered with NSF International / Nonfood Compounds Registration Program** and is considered to be an acceptable product to be used in food preparation areas. ProBlend SureGrip Daily Cleaner is residue-free, making it a safer choice than other floor cleaning products.

Making the world a safer place... one step at a time!

GLACIAL ACETIC ACID CLEANER

FOAMING ACID DETERGENT & FLOOR CLEANER.

Concentrated blend of non-fuming acid detergents, organic/biodegradable wetting agents plus special corrosion inhibitors. Cleans concrete, porcelain, glass, tile, stainless steel, & aluminum.

Item #	20595
Size(s)	5, 30, & 55 Gal
pH	2.0 - 3.0
Color	Brown
Unit Wt	8.85 lb/Gal

OXYGENATED CLEANER

HYDROGEN PEROXIDE ALL PURPOSE CLEANER.

Quickly attacks the most stubborn soils and stains on virtually any surface. Leaves no oil residue, rinses free, and contains no butyl or caustic bleaching agents.

Item #	14081
Size(s)	5, 30, & 55 Gal
pH	3.0 - 4.0
Color	Colorless
Unit Wt	8.33 lb/Gal

PHOSPHORIC ACID CLEANER

NON-FUMING FOAMING ACID DETERGENT.

High foaming, acid detergent designed to remove hard water scale, alkaline detergent build-up, dirt, and rust. Renews original brightness on stainless steel, aluminum, and galvanized surfaces.

Item #	14461
Size(s)	5, 30, & 55 Gal
pH	1.5 - 2.5
Color	Amber
Unit Wt	9.44 lb/Gal

WALL BRITE

HEAVY-DUTY ACID DETERGENT.

Quick-acting wall cleaning acid compound for stainless steel, fiberglass, brick, block, metal, and painted surfaces. Gives that just manufactured look.

Item #	11970
Size(s)	5, 30, 55, & 275 Gal
pH	< 4.0
Color	Colorless
Unit Wt	10.08 lb/Gal

NEUTRAL

PROBLEND[®]
INDUSTRIAL SERIES

Ensure surfaces are clean and odor-free with ProBlend's line of pH neutral cleaners. Make a safer choice for your facility without sacrificing cleaning power.

EFFECTIVE. VERSATILE. RESPONSIBLE.

DSQ 10

DISINFECTANT. Sanitizer, fungicide, mildewstat, virucide and cleaner. For use on non-porous surfaces such as: floors, walls, metal and plastics. Controls mold/mildew. EPA Registered.

Item #	13960
Size(s)	30 & 55 Gal
pH	7.5 - 8.5
Color	Colorless
Unit Wt	8.68 lb/Gal

EVO BLEND - FLOOR CLEANER

MICROBIAL FLOOR CLEANER & DRAIN MAINTAINER. For every day use. Superior floor cleaning, odor control, drain and trap maintenance, environmental benefits and flexibility. Removes the food sources of fruit flies. Fresh fragrance.

Item #	BIO23
Size(s)	5, 30, & 55 Gal
pH	9.5 - 10.5
Color	Straw
Unit Wt	8.55 lb/Gal

LEMON Q CLEANER

ALL PURPOSE CLEANER. Concentrated cleaner and odor counteractant contains quaternary ammonium infused with fragrance. Use on hard surfaces such as floors, walls, in dumpsters, and other areas where odors can be a problem. Lemon fragrance.

Item #	16760
Size(s)	5, 30, & 55 Gal
pH	10.0 - 11.0
Color	Yellow
Unit Wt	8.40 lb/Gal

PINE Q CLEANER

ALL PURPOSE CLEANER. Concentrated quaternary ammonium cleaner and odor counteractant for use on hard surfaces, such as floors, walls, in dumpsters and other areas where odors can be a problem. Pine fragrance.

Item #	19740
Size(s)	5, 30, & 55 Gal
pH	10.0 - 12.0
Color	Green
Unit Wt	8.42 lb/Gal

ALKALINE

PROBLEND[®]
INDUSTRIAL SERIES

From disinfecting to industrial degreasing, turn to the power of ProBlend's alkaline chemicals for germ eradication and heavy-duty soil removal. Tough residues on floors, walls and other surfaces don't stand a chance against ProBlend.

POWERFUL. PENETRATING. FOCUSED.

BIG JOB DEGREASER

NON-SOLVENT DEGREASER.

Environmentally preferable, concentrated heavy-duty degreaser. Removes and emulsifies oil and grease as well as solvent based cleaners. Big Job Degreaser is solvent-free, non-butyl and phosphate free.

Item #	18340
Size(s)	5, 30, 55, & 275 Gal
pH	13.0 - 13.5
Color	Yellow
Unit Wt	9.02 lb/Gal

CITRUS CLEAN

CITRUS CLEANER & DEGREASER.

Contains d-limonene, a natural citrus solvent. It provides exceptional cleaning performance of both fat and petroleum based soils. Removes adhesive residue. Citrus fragrance.

Item #	15120
Size(s)	5, 30, 55, & 275 Gal
pH	10.0 - 11.5
Color	Green
Unit Wt	8.33 lb/Gal

HD PRIDE CLEANER

HEAVY-DUTY DEGREASER.

Alkaline and butyl solvent based degreaser penetrates and removes the toughest soils quickly and easily. Contains alkalis, sequestrants and wetting agents for powerful heavy-duty degreasing.

Item #	15770
Size(s)	5, 55, & 275 Gal
pH	11.0 - 13.0
Color	Colorless
Unit Wt	9.20 lb/Gal

POWER UP DEGREASER

GENERAL PURPOSE DEGREASER.

Concentrated with a moderate pH, quickly emulsifies greasy soils, and boosts the cleaning action of other detergents. Excellent for floors, walls, and general cleaning.

Item #	14720
Size(s)	5, 30, & 55 Gal
pH	8.0 - 10.0
Color	Yellow
Unit Wt	8.63 lb/Gal

SA 200

SUPER CONCENTRATED BUTYL DEGREASER.

Water-soluble degreaser, and general purpose cleaner. Great for dilution purposes; one drum makes three drums of normal concentrate.

Item #	20780
Size(s)	5, 30, 55, & 275 Gal
pH	12.0 - 13.0
Color	Purple
Unit Wt	8.83 lb/Gal

SUPER X

HEAVY-DUTY STEAM CLEANER & DEGREASER.

Extremely free rinsing. This product can also be used as a powerful general purpose cleaner and rig wash. Contains butyl.

Item #	22220
Size(s)	5, 30, 55, & 275 Gal
pH	12.0 - 14.0
Color	Red
Unit Wt	8.93 lb/Gal

BLEACH

10% SODIUM HYPOCHLORITE.

For use as a general purpose cleaner where the extra destaining power of active chlorine is desired.

Item #	05205
Size(s)	5, 30, 55, & 275 Gal
pH	11.5 - 12.5
Color	Pale Yellow/Green
Unit Wt	9.58 lb/Gal

CLEANER WITH BLEACH

READY TO USE CLEANER & DESTAINER.

Removes challenging stains including mildew, food stains, and discoloration. Use only where bleach will not harm surfaces.

Item #	12690
Size(s)	5 & 55 Gal
pH	11.0 - 12.0
Color	Pale Yellow/Green
Unit Wt	8.58 lb/Gal

DD 5000

DISINFECTANT. Sanitizer, fungicide, mildewstat, virucide and cleaner. For use on floors, walls, metal, plastic and other non-porous surfaces. Controls mold/mildew. EPA Registered.

Item #	13546
Size(s)	55 & 275 Gal
pH	11.0 - 13.0
Color	Red
Unit Wt	8.69 lb/Gal

PROBLEND[®]
INDUSTRIAL SERIES

Electronic service reporting that meets your every day operational needs.

GENERAL PURPOSE GELIQUID

SUPER CONCENTRATED.

Colloidal cleaner provides the cleaning benefits of a solvent emulsion, but maintains the stability of a clear liquid. It has a moderate pH, is phosphate free and exceptionally free rinsing.

Item #	14902
Size(s)	5, 30, 55, & 275 Gal
pH	10.0 - 11.0
Color	Amber
Unit Wt	8.85 lb/Gal

ALL SAFE

METAL SAFE PARTS WASHING DETERGENT. Non-chlorinated, low foaming detergent quickly and effectively removes stubborn soils and rinses free. This powerful cleaner/degreaser contains extra chelating agents for hard water conditions.

Item #	10966
Size(s)	5, 30, & 55 Gal
pH	11.0 - 12.0
Color	Colorless
Unit Wt	9.48 lb/Gal

COMBAT

CONCRETE CLEANER. Cleans heavily soiled concrete or coated concrete surfaces. Intense yellow in color. Contains alkalis, sequestrants and wetting agents that quickly penetrate soils impregnated in concrete.

Item #	20460
Size(s)	50, 100, & 400 lb
pH	12.0 - 13.0
Color	Yellow
Unit Wt	N/A

CW-51

TRUCK WASH DETERGENT. Superior powder detergent. Contains an abundant blend of state of the art surfactants, powerful soil-lifting agents, and water conditioners to get even the dirtiest trucks sparkling clean.

Item #	13374
Size(s)	2/25, 50, & 400 lb
pH	12.0 - 13.0
Color	Brown
Unit Wt	N/A

QUICK KUT

CAUSTIC BATH REJUVENATOR. Enhances chemicals resin cutting power and alkaline cleaning performance. Use as an additive for caustic or metasilicate internal tank cleaning and hot tanks.

Item #	20602
Size(s)	450 lb
pH	11.0 - 12.0
Color	White
Unit Wt	N/A

VAT DIP

HEAVY-DUTY TANK CLEANING COMPOUND. Removes rust, scale, paint, and oil from ferrous metals. It contains agents that enable penetration into the smallest crevices and threads.

Item #	22760
Size(s)	500 lb
pH	> 11.5
Color	White
Unit Wt	N/A

SOLVENT

PROBLEND[®]
INDUSTRIAL SERIES

For specific cleaning applications on impossible jobs, our line of solvents is a force to be reckoned with. Concentrated, robust formulations offer powerful and effective removal of tar, residues and heavy oils on facility equipment.

SPECIALIZED. CAPABLE. FAST-ACTING.

DETERGENT BOOSTER

BUTYL SOLVENT & CLEANING ADDITIVE. Very versatile butyl solvent plus surfactant formula. This product can be used undiluted in parts washers or used as an additive to boost cleaning formulations. 100% water soluble.

Item #	13740
Size(s)	5, 30, 55, & 275 Gal
pH	7.0 - 10.0
Color	Colorless
Unit Wt	7.76 lb/Gal

OT FORCE

CONCENTRATED CITRUS SOLVENT. Replaces mineral spirits, toluene, and organic solvents. Not water soluble. Can be used in typical water separation units. Use as a wipe cleaner, in dip baths/spray systems, and parts washers.

Item #	19205
Size(s)	5, 30, 55, & 275 Gal
pH	4.5 - 5.5
Color	White to Yellow
Unit Wt	7.11 lb/Gal

OT MAX

100% D-LIMONENE. Citrus solvent. Not water soluble, so it can be used in typical water separation units. Undiluted use as a wipe cleaner, in dip baths/spray systems, or as a direct substitute for most organic solvents.

Item #	04385
Size(s)	5, 30, 55, & 275 Gal
pH	N/A
Color	Colorless
Unit Wt	7.02 lb/Gal

OT TERGE

CITRUS TERPENE SOLVENT & HYDROCARBON REMOVER. Derived from biological sources. This alternative to petroleum-based and chlorinated solvents effectively removes tar, grease, lubricants, bituminous residue, heavy oils, paraffin and asphaltene.

Item #	22679
Size(s)	5 & 55 Gal
pH	6.0 - 8.0
Color	Colorless
Unit Wt	7.23 lb/Gal

SPECIALTY

PROBLEND[®]
INDUSTRIAL SERIES

The right tool for the job can make all the difference. When other options simply won't do, ProBlend's specialty cleaners offer superior cleaning and maintenance solutions for tough industrial applications like parts degreasing, grimy laundry, and greasy hand washing.

TOUGH. SPECIFIC. RELIABLE.

DEGREASERS

LIQUID RIG WASH

HEAVY-DUTY DETERGENT & DEGREASER. Formulated for heavy industry. Removes oil and degreases engines, machinery, tools, and drilling rigs. Cleans oil muds, mildew & mold, cosmoline, carbon dust, algae, and most oil-base products. Effective in fresh or salt water.

Item # **11421**

Size(s) **55 Gal**

pH **9.0 - 10.0**

Color **Blue**

Unit Wt **8.53 lb/Gal**

POWDER RIG WASH

HEAVY-DUTY DETERGENT & DEGREASER. Cleans oil muds, mildew & mold, cosmoline, carbon dust, algae, and most oil-base products. Formulated for heavy industry it removes oil and degreases engines, machinery, tools, and drilling rigs. Effective in fresh or salt water.

Item # **20662**

Size(s) **50 lb**

pH **10.5 - 11.5**

Color **Blue**

Unit Wt **N/A**

HAND CARE

ALMOND HAND CLEANER

HAND CLEANER. Uniquely formulated blend of soaps and emollients, which produces a rich, thick, foamy lather. It quickly removes grease, grime, and tough soils, leaving hands fresh and clean. Almond fragrance.

Item # **15400**

Size(s) **5, 30, & 55 Gal**

pH **7.0 - 9.0**

Color **Orange**

Unit Wt **8.49 lb/Gal**

TRUE GRIT

INDUSTRIAL STRENGTH HAND CLEANER. Removes embedded soil, grime and grease from hands with or without water. Its soy based solvents and absorbent plant scrubbers leave skin soft and moisturized. Cherry fragrance.

Item # **27195**

Size(s) **Kit (6/25 L + Rack),
8/2.5 L, 55 Gal**

pH **N/A**

Color **N/A**

Unit Wt **8.19 lb/Gal**

ASPHALT RELEASE

BIODEGRADABLE LUBRICANT.

Non-hazardous, water soluble lubricant provides clean, rapid, and easy separation of bituminous (asphalt) materials from truck beds. Just one application remains effective for multiple runs.

Item #	11325
Size(s)	5, 30, 55, & 275 Gal
pH	4.0 - 5.0
Color	Pale Yellow/Yellow
Unit Wt	7.40 lb/Gal

COOL BLUE

SYNTHETIC CUTTING FLUID.

Superior cutting fluid for ferrous metals and copper alloys. This product is completely soluble in water is extremely stable toward bacterial attack and is self-cleaning on machines.

Item #	13220
Size(s)	5, 30, 55, & 275 Gal
pH	8.5 - 9.5
Color	Blue
Unit Wt	8.54 lb/Gal

DEFOAMER

10% SILICONE EMULSION.

Excellent foam knockdown and suppression properties. Effective in a wide range temperatures and pH. Use in a wide variety of processing and wastewater applications.

Item #	04085
Size(s)	5, 30, & 55 Gal
pH	N/A
Color	Clear to White
Unit Wt	8.49 lb/Gal

PHOSKOTE 3405

RUST CONVERSION

COMPOUND. Multi-purpose compound that contains a special blend of cleaners and degreasers which allow for minimal surface preparation prior to use. On ferrous metals it produces a heavy, tightly bonded coating that may be painted.

Item #	19380
Size(s)	5, 30, 55, & 275 Gal
pH	<2
Color	Green
Unit Wt	9.83 lb/Gal

LAUNDRY PLUS

TOWEL & RAG LIQUID DETERGENT. Contains non-ionic and anionic surfactants, optical brighteners and powerful dispersants that emulsify and suspend soils. Perfect for use where high concentrations of oil and grease soils are present. Citrus fragrance.

Item #	17010
Size(s)	5, 30, 55, & 275 Gal
pH	9.0 - 10.5
Color	Blue
Unit Wt	8.78 lb/Gal

OPTI-BRITE

TOWEL & RAG POWDER DETERGENT. Premium, powdered, all-in-one detergent drastically reduces bleaching with regular use. Its intense optical brightening system produces brilliant colors and bright whites. Effective at all temperatures. Clean fresh fragrance.

Item #	11691
Size(s)	50, 100, 400 lb
pH	10.5 - 11.5
Color	White
Unit Wt	N/A

GREASE FREE

DRAIN & GREASE TRAP TREATMENT. Designed to accelerate the bioremediation process. Grease Free controls the grease and odors found in drain lines and grease traps with its bacteria that digests grease and gives off CO2 and water as byproducts. Neutroleum fragrance.

Item #	10661
Size(s)	5 & 55 Gal
pH	8.5 - 9.5
Color	Brown, Turbid
Unit Wt	8.44 lb/Gal

WINDOW WASH

SUPER CONCENTRATED GLASS CLEANER. Super concentrated state of the art window wash. Can be diluted for use as a automotive window wash solution or an interior/exterior glass cleaner. Citrus fragrance.

Item #	23260
Size(s)	5, 30, 55, & 275 Gal
pH	8.5 - 9.5
Color	Blue
Unit Wt	8.41 lb/Gal
