

# Refresh Wipes

Personal Antimicrobial Cleansing Washcloths  
*Toallas de Limpieza Antimicrobianos Personal*

## Cleans, Sanitizes & Removes Dirt & Germs!

ProBlend Refresh Wipes provide a safe and effective means of incontinence and convalescence care with antimicrobial cleansing. Refresh Wipes are pre-moistened, antimicrobial, flushable, personal washcloths that clean, sanitize and remove 99.99% of dirt and germs. Many other products do not effectively kill bacteria and germs, and are only disposable which can cause problems for plumbing if not disposed of properly.

### Benefits:

- Antimicrobial and Hypoallergenic
- Alcohol free and Latex free
- 99.99% effective at eliminating many common harmful germs and bacteria
- Promotes infection control
- Non-flammable, water-based solution
- Leaves skin feeling soft and smooth
- Flushable washcloths

### Ideal for:

- Long term care
- Adult care centers
- Hospitals
- Home healthcare
- Senior living
- Assisted living
- Daycare centers
- & many more!
