

E/S NI-SAFE ICE MACHINE CLEANER

Quickly Dissolves Buildup & Prevents Malodors

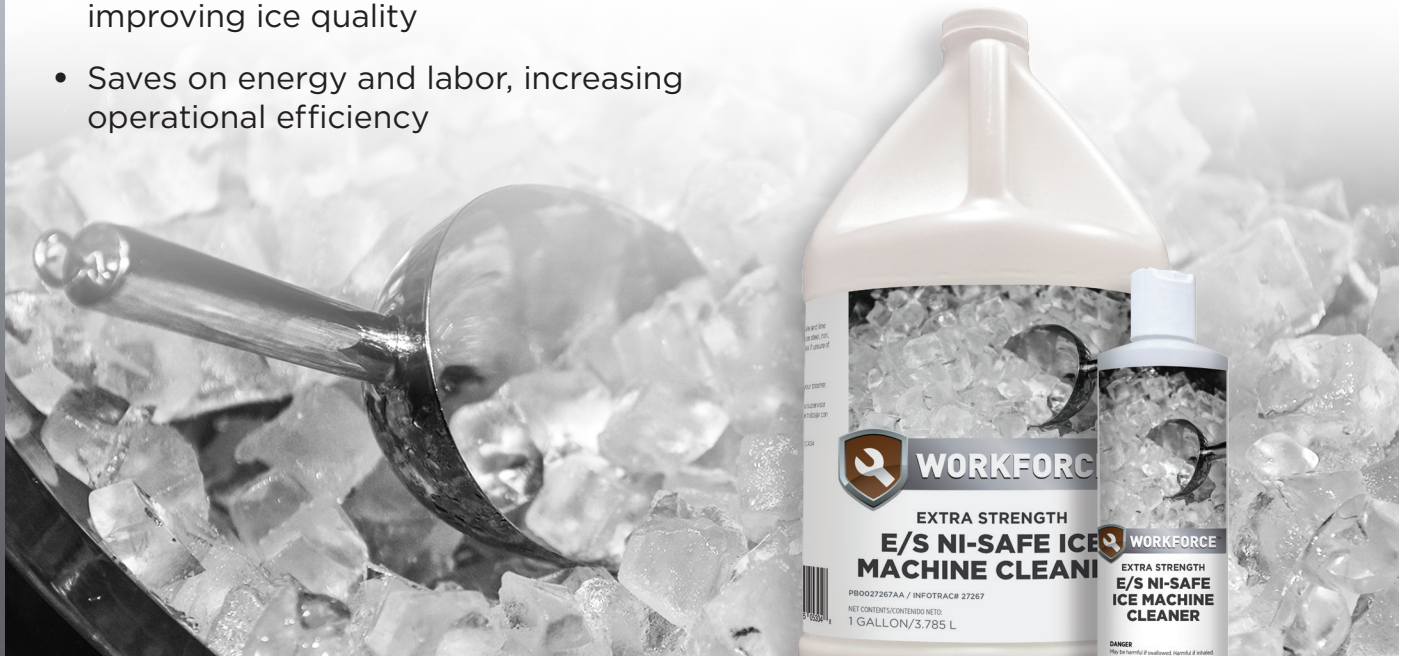

Extra Strength (E/S) Ni-Safe Ice Machine Cleaner is a robust cleaning/descaling formula for use in commercial ice machines, soft drink dispensers, coffee urns and humidifiers. It quickly and easily dissolves limescale, calcium, and other mineral buildup on ice machines and water-processing appliances and equipment. E/S Ni-Safe Ice Machine Cleaner is safe on stainless steel and nickel-plated steel.

- Quickly dissolves limescale and mineral buildup on ice machines
- Improves performance and extends equipment maintenance cycle
- Prevents slime buildup and malodors while improving ice quality
- Saves on energy and labor, increasing operational efficiency
