HYscent Refill Cartridge Components

1. Made in USA

HYscent refill cartridges are made in the USA using APAT (Advanced Polymer Absorption Technology). Proprietary manufacturing techniques ensure the highest quality and consistency

2. Healthy Fragrances

For the HYscent fragrance ingredient palette, we require that any fragrance materials our perfumers use meet the Research Institute for Fragrance Materials (RIFM) and the International Fragrance Association (IFRA) standards.

3. Natural Essential Oils

HYscent proprietary "time release" refills with Odoraxe, are made from a blend of medical grade polymers infused with pure fragrance and essential oils extracted from plants and flowers.

Key

The intensity of the fragrance is reflective in the individual properties of the natural oils.
