

NI-SAFE ICE MACHINE CLEANER

Works with No Foam or Fumes

Ni-Safe Ice Machine Cleaner is a non-foaming and non-fuming cleaner/descaler for use in commercial ice machines, soft drink dispensers, coffee urns and humidifiers. It quickly dissolves limescale, calcium, and other mineral buildup on ice machines and water-processing appliances and equipment. Ni-Safe Ice Machine Cleaner is safe on stainless steel and nickel-plated steel.

- Dissolves limescale and mineral buildup on ice machines
- Improves performance and extends equipment maintenance cycle
- Prevents slime buildup and malodors while improving ice quality
- Saves on energy and labor, increasing operational efficiency
